

# AUTHENTIC HAWAIIAN ENTERTAINMENT

**A**loha! The singers, dancers and musicians of Hawaiian Island Entertainment have arrived on the island of Maui -- Maui Sands Resort, that is!

These entertainers, who are straight from the Big Island, will have every guest singing, dancing and laughing to the true sights and sounds of Hawaii. At mid-day, the entertainers perform in the waterpark, for no added cost to your stay.

During the evening, Black Sands Restaurant comes to life when the entertainers perform an authentic Hawaiian Luau that includes an elegant buffet of authentic Hawaiian dishes. This unique dining experience is perfect for celebrating an anniversary or birthday, entertaining out-of-towners, an add-on option to your overnight stay, or just a fun night out with the family!
